## COLUMBIA GRADUATE BLIND.

Calvin S. Glover is Near Head of  
His Class.

Blind since he was 6 years old, Calvin S. Glover is a graduate from Columbia University. He is near the head of his class, with honors in practically all of his studies. Glover is the fourth blind man who has been graduated from Columbia in the last three years and his record is the best. He was nearly the first man in his class to be elected to the honorary Phi Beta Kappa society.

Glover was born in Louisville, Kentucky, twenty-three years ago. He passed through the elementary and high school courses in the New York Institution for the Blind, and entered Columbia College in the fall of 1909 for the degree of bachelor of arts.

Glover naturally has been unable to study as the normal members of his class, but by means of an annual fund of \$300, which has been placed at the disposal of every blind student in the State, he has been enabled to hire readers.

Glover intends to teach English and perhaps music, beginning next fall. "If the people would only realize that a blind man has developed his senses to such an extent that he can concentrate far better than the man with eyes, they would not have this foolish prejudice against blind people," said Glover.

## Y. M. C. A. CAMP FOR BOYS.

Thirty Acres on Carpenter Lake  
Given by Mrs. Alfred E. Marlin.

Mrs. Alfred E. Marlin, wife of the president of the real estate firm of Horace S. Ely & Co., gave to the Young Men's Christian Association for its Tuesday, third Street Branch yesterday thirty acres of the upland in the Sussex Hills, near Greenwood Lake, to be used as a boys' camp. The gift is a memorial to Mrs. Marlin's son, Harold Marlin, who died in boyhood.

The camp is on Carpenter Lake, New Jersey, west of Pochock Mountain. It will be opened July 1. As boys cannot go to Camp Oswegatchie, the vacation resort of the New York city Y. M. C. A., near Peekskill, the new camp at Carpenter Lake will be especially welcome to the junior members.

When in camp the boys will be under the constant care of Y. M. C. A. officers, with other experienced men to teach them how to have a good time in safety and with just enough mental and moral development to interest them.
